Management Commentary:

On the Q1 FY 2025–26 results, Mr. Vineet Agarwal, Managing Director of Transport Corporation of India Ltd. (TCI), said:

“We are pleased to report solid progress in the first quarter of FY 2025–26, driven by steady growth across our multimodal, warehousing, 3PL and cold chain verticals. Despite mixed sectoral trends in the economy, our integrated service offerings and customer-centric approach have enabled us to maintain noteworthy operational momentum.”

The manufacturing sector’s revival, particularly in chemicals, engineering and consumer goods, has positively impacted demand for reliable, scalable and sustainable logistics solutions. TCI’s continued investments in multimodal infrastructure, upskilling, AI based SOPs and green logistics have positioned us well to deliver the diverse supply chain solutions that meet the scale of India’s evolving logistics requirements.

With continued infrastructure push and steady influx of global players driving multifaceted manufacturing growth, we anticipate a robust order pipeline in the coming quarters. “We remain committed to delivering value through innovation, strategic partnerships, sustainability and operational excellence in serving our customers with agility and efficiency.”
