1.11 The Buyback will not result in any benefit to the members of the Promoter, Promoter Group and persons in control of the Company or any directors of the Company except to the extent of increase in their shareholding percentage as per the response received in the Buyback, as a result of the extinguishment of Equity Shares which will lead to reduction in the equity share capital of the Company post Buyback. The Buyback would be subject to the condition of maintaining minimum public shareholding requirements as specified in Regulation 38 of the Listing Regulations. Any change in voting rights of the Promoter, members of Promoter Group and persons in control of the Company pursuant to completion of Buyback will not result in any change in control over the Company as defined under Regulation 2(1)(e) of the SEBI (Substantial Acquisition of Shares and Takeovers) Regulations, 2011.

1.12 Participation in the Buyback by Eligible Shareholders will give rise to tax on the gains arising from the Buyback in their hands. Pursuant to the amendments made by the Finance Act, 2026 to the ITA, applicable to buybacks undertaken on or after April 1, 2026, the consideration received by a shareholder (whether resident or non-resident) on buyback of shares shall be treated as the full value of consideration under section 69 of the ITA. The cost of acquisition of the shares bought back shall be deductible, and the resulting gain shall be chargeable to tax as short-term or long-term capital gains, depending on the period of holding. The Company is not required to pay any tax on the amount distributed on the Buyback. However, in view of the particularized nature of tax consequences, the Eligible Shareholders are advised to consult their own legal, financial and tax advisors prior to participating in the Buyback.

1.13 In terms of the SEBI Buyback Regulations, under the tender offer route, the Promoter and Promoter group have an option to participate in the Buyback. The Promoter or Promoter Group and person acting in control vide their letter dated September 29, 2026 have expressed their intention not to participate in the Buyback.

2. NECESSITY FOR THE BUYBACK AND DETAILS THEREOF

The Board at its meeting held on September 29, 2026 considered the accumulated free reserves as well as the cash liquidity reflected in the last audited standalone and consolidated financial statements as on March 31, 2026 and considering these, the Board decided to allocate up to INR 1,500,000,000 (Indian Rupees One Hundred and Fifty Crore only) excluding the Transaction Costs for distributing to the shareholders holding Equity Shares of the Company through the Buyback. The Buyback will not in any manner impair the ability of the Company to pursue growth opportunities or meet its cash requirements for business operations.

After considering several factors and benefits to the shareholders holding Equity Shares of the Company, the Board decided to recommend Buyback of Equity Shares at a price of INR 960/- (Indian Rupees Nine Hundred Sixty only) per Equity Share for an aggregate maximum amount of INR 1,500,000,000 (Indian Rupees One Hundred and Fifty Crore only).

The Buyback is being undertaken, inter alia, for the following objects:

- (i) The share price has been at its 52-week low. A Buyback at a premium will signal the management’s confidence in the business and showcase its earnings profile;
- (ii) The Buyback, which is being implemented through the tender offer route as prescribed under the SEBI Buyback Regulations, would involve allocation of number of Equity Shares as per their entitlement or 15% of the number of Equity Shares to be bought back, whichever is higher, reserved for the small shareholders. The Company believes that this reservation for small shareholders would benefit a large number of public shareholders, who would get classified as “small shareholder” as per Regulation 2(i)(n) of the SEBI Buyback Regulations;
- (iii) The Buyback may help in improving return on equity, earnings per share and net worth, thereby leading to long term increase in shareholders’ value; and
- (iv) The Buyback gives an option to the shareholders holding Equity Shares of the Company, who can choose to liquidate their Equity Shareholding in the Company at a premium or increase their percentage shareholding by abstaining from participating in the Buyback offer without any additional investment.

3. MAXIMUM AMOUNT REQUIRED UNDER THE BUYBACK, ITS PERCENTAGE OF THE TOTAL PAID UP CAPITAL AND FREE RESERVES AND SOURCES OF FUNDS FROM WHICH BUYBACK WILL BE FINANCED

- 3.1 The maximum amount required for Buyback will not exceed INR 1,500,000,000 (Indian Rupees One Hundred and Fifty Crore Rupees only) (excluding Transaction Costs).
- 3.2 The maximum amount mentioned aforesaid is 6.76% and 6.15% of the aggregate of the fully paid-up share capital and free reserves as per both the latest audited standalone and consolidated financial statements of the Company as on March 31, 2026 (being the latest audited financial statements available as on the Board Meeting Date), respectively, whichever sets out a lower amount, which is within the prescribed limit of 10%.
- 3.3 The funds for the implementation of the proposed Buyback will be sourced out of the free reserves of the Company, and securities premium account of the Company and any other source as may be permitted by the SEBI Buyback Regulations or the Companies Act. Borrowed funds from banks and financial institutions, if any, will not be used for the Buyback.
- 3.4 The Company shall transfer from its free reserves or securities premium account and/or such sources as may be permitted by law, a sum equal to the nominal value of the Equity Shares bought back through the Buyback to the Capital Redemption Reserve account.

4. THE BUYBACK OFFER PRICE AND BASIS OF ARRIVING AT THE BUYBACK OFFER PRICE

- 4.1 The Equity Shares of the Company are proposed to be bought back at a price of INR 960/- (Indian Rupees Nine Hundred Sixty only) per Equity Share.
- 4.2 The Buyback Offer Price has been arrived at after considering various factors including, but not limited to the trends in the volume weighted average prices and closing price of the Equity Shares on the Stock Exchanges where the Equity Shares are listed, the net worth of the Company, price earnings ratio, impact on other financial parameters and the possible impact of Buyback on the earnings per Equity Share.
- 4.3 The Buyback Offer Price represents:

- (i) Premium of 5.41% and 5.63% over the volume weighted average market price of the Equity Shares on BSE and NSE respectively, during the three months preceding September 24, 2026, being the date when intimation for considering and approving the proposed buyback offer at the Board Meeting was sent to the Stock Exchanges (“Intimation Date”).

- (iv) Premium of 10.81% and 11.00% over the closing price of the Equity Shares on BSE and NSE, as on September 28, 2026, being a day preceding the Board Meeting Date.

13 RECORD DATE AND SHAREHOLDER ENTITLEMENT

13.1 As required under the SEBI Buyback Regulations, the Company has fixed October 9, 2026 as the Record Date for the purpose of determining the entitlement and the names of the Shareholders who will be eligible to participate in the Buyback i.e., Eligible Shareholders. The tender period for the Buyback offer will commence from October 15, 2026 i.e., not later than 4 (four) working days from the Record Date and shall remain open for a period of 5 (five) working days, i.e., until October 22, 2026.

13.2 In due course, Eligible Shareholders will receive a letter of offer in relation to the Buyback ("**Letter of Offer**") along with a tender offer form indicating the entitlement of the Eligible Shareholder for participating in the Buyback. Even if the Eligible Shareholder does not receive the Letter of Offer along with a tender form, the Eligible Shareholder may participate and tender shares in the Buyback. As required under the SEBI Buyback Regulations, the dispatch of the Letter of Offer shall be through electronic mode via email only, within two (2) working days from the Record Date and that in case any shareholder requires a physical copy of the Letter of Offer a request has to be sent to the Company or Registrar to the Buyback to receive a copy of the Letter of Offer in physical form and the same shall be provided.

13.3 The Equity Shares proposed to be bought back by the Company as part of the Buyback are divided into two categories; (i) reserved category for Small Shareholders (defined below); and (ii) general category for all other Shareholders.

13.4 As defined in Regulation 2(i)(n) of the SEBI Buyback Regulations, a "Small Shareholder" is a shareholder who holds Equity Shares having market value, on the basis of closing price on the stock exchange having the highest trading volume in respect of the Equity Shares, as on the record date, of not more than INR 2,00,000 (Indian Rupees Two Lakh only). For the purpose of classification of a shareholder, as a "small shareholder", multiple demat accounts having the same Permanent Account Number ("**PAN**"), in case of securities held in the demat form are to be clubbed together. In accordance with Regulation 6 of the SEBI Buyback Regulations, 15% of the number of Equity Shares which the Company proposes to Buyback or the number of Equity Shares entitled as per the shareholding of Small Shareholders as on the Record Date, whichever is higher, shall be reserved for the Small Shareholders as part of this Buyback.

13.5 Based on the shareholding as on the Record Date, the Company will determine the entitlement of each Eligible Shareholder to tender their Equity Shares in the Buyback. This entitlement for each Eligible Shareholder will be calculated based on the number of Equity Shares held by the respective Eligible Shareholder as on the Record Date and the ratio of Buyback applicable in the category to which such Eligible Shareholder belongs. The final number of Equity Shares the Company will purchase from each Eligible Shareholder will be based on the total number of Equity Shares tendered. Accordingly, in the event of the overall response to the tender offer being in excess of the Buyback Offer Size, the Company may not purchase all of the Equity Shares tendered by the Eligible Shareholders, over and above their entitlement, in the Buyback.

13.6 In accordance with Regulation 9(ix) of the SEBI Buyback Regulations, in order to ensure that the same shareholders with multiple demat accounts/folios do not receive a higher entitlement under the Small Shareholder Category, the Company will club together the equity shares held by such shareholders with a common PAN for determining the category (Small Shareholder or General) and entitlement under the Buyback. In case of joint shareholding, the Company will club together the equity shares held in cases where the sequence of the PANs of the joint shareholders is identical. In case of physical shareholders, if applicable, where the sequence of PANs is identical and where the PANs of all joint shareholders are not available the Company will club together the equity shares held in such cases. Similarly, in case of physical shareholders where PAN is not available, the Company will check the sequence of names of the joint holders and club together the equity shares held in such cases where the sequence of name of joint shareholders is identical.

- 13.7 The shareholding of institutional investors like mutual funds, pension funds/ trusts, insurance companies etc., with common PAN will not be clubbed together for determining the category and will be considered separately, where these Equity Shares are held for different schemes and have a different demat account nomenclature based on information prepared by the Registrar as per the shareholder records received from the Depositories. Further, the Equity Shares held under the category of “clearing members” or “corporate body margin account” or “corporate body – broker” as per the beneficial position data as on Record Date with common PAN are not proposed to be clubbed together for determining their entitlement and will be considered separately, where these Equity Shares are assumed to be held on behalf of clients.
- 13.8 After accepting the Equity Shares tendered on the basis of entitlement, the Equity Shares left to be bought back, if any, in one category shall first be accepted, in proportion to the Equity Shares tendered over and above their entitlement in the offer by Eligible Shareholders in that category, and thereafter from Eligible Shareholders who have tendered over and above their entitlement in the other category.
- 13.9 Shareholders’ participation in the Buyback is voluntary. Eligible Shareholders can choose to participate in part or in full and receive cash in lieu of the Equity Shares accepted under the Buyback, or they may opt not to participate and enjoy a resultant increase in their percentage shareholding, after the completion of the Buyback, without any additional investment. Eligible Shareholders holding Equity Shares of the Company may also accept a part of their entitlement. Eligible Shareholders holding Equity Shares of the Company also have the option of tendering additional shares (over and above their entitlement) and participate in the shortfall created due to non-participation of some other Eligible Shareholders, if any.
- 13.10 The maximum tender under the Buyback by any Eligible Shareholder should not exceed the number of Equity Shares held by the Shareholder as on the Record Date. In case the Eligible Shareholder holds Equity Shares through multiple demat accounts, the tender through a demat account cannot exceed the number of Equity Shares held in that demat account. If the Buyback entitlement for any shareholder is not a round number (i.e., not a multiple of one Equity Share), then the fractional entitlement shall be ignored for computation of Buyback entitlement to tender Equity Shares in the Buyback. On account of ignoring the fractional entitlement, those Small Shareholders whose entitlement would be zero Equity Shares as on Record Date, will be dispatched a tender form with zero entitlement. Such Small Shareholders are entitled to tender additional Equity Shares as part of the Buyback offer and will be given preference in the acceptance of one Equity Share, if such Small Shareholders have tendered for additional Equity Shares.
- 13.11 The Buyback from shareholders who are persons resident outside India, including the foreign portfolio investors, erstwhile overseas corporate bodies and non resident Indian, etc., shall be subject to such approvals, if any and to the extent required from the concerned authorities including approvals from the RBI under Foreign Exchange Management Act, 1999, as amended, and the rules and regulations framed there under, and such approvals shall be required to be taken by such non-resident shareholders.
- 13.12 The Equity Shares tendered as per the entitlement by Eligible Shareholders holding Equity Shares of the Company as well as additional Equity Shares tendered, if any, will be accepted as per the procedure laid down in SEBI Buyback Regulations. The settlement of the tenders under the Buyback will be done using the “Mechanism for acquisition of shares through Stock Exchange pursuant to Tender-Offers under Takeovers, Buy-Back and Delisting” as notified by SEBI Circulars.
- 13.13 Participation in the Buyback by Eligible Shareholders will give rise to tax on the gains arising from the Buyback in their hands. Pursuant to the amendments made by the Finance Act, 2026 to the ITA, applicable to buybacks undertaken on or after April 1, 2026, the consideration received by a shareholder (whether resident or non-resident) on buyback of shares shall be treated as the full value of consideration under section 69 of the ITA. The cost of acquisition of the shares bought back shall be deductible, and the resulting gain shall be chargeable to tax as short-term or long-term capital gains, depending on the period of holding. The Company is not required to pay any tax on the amount distributed on the Buyback. In due course, the Eligible Shareholders will receive Letter of Offer, which will contain a more detailed note on taxation. However, in view of the particularized nature of tax consequences, the Eligible Shareholders are advised to consult their own legal, financial and tax advisors for the applicable tax implications prior to participating in the Buyback.
- 13.14 Eligible Shareholders who intend to participate in the Buyback should consult their respective Seller Member(s) (as defined below in paragraph 14.6) for details of any cost, applicable taxes, charges and expenses (including brokerage) etc., that may be levied by the Seller Member(s) upon the selling shareholders for tendering Equity Shares in the Buyback (secondary market transaction). The Buyback consideration received by the Eligible Shareholders in respect of accepted Equity Shares could be net of such costs, applicable taxes, charges and expenses (including brokerage) and the Company accepts no responsibility to bear or pay such additional cost, charges and expenses (including brokerage) incurred solely by the Eligible Shareholders.
- 13.15 Detailed instructions for participation in the Buyback (tender of Equity Shares in the Buyback) as well as the relevant timetable will be included in the Letter of Offer which will be sent in due course to the Eligible Shareholders as on the Record Date who have their email IDs registered with the Company/ Registrar and transfer agent/ depository. However, on receipt of a request by Registrar to the Buyback or Company to receive a copy of Letter of Offer in physical format from such Eligible Shareholder (to whom Letter of Offer and tender form were emailed), the same shall be sent physically.
