TCI Marks Driver Dignity Day 2026 with Health, Vision and Road-Safety Initiatives

TCI Group (Transport Corporation of India Limited) observed Driver Dignity Day 2026 by recognising drivers and reinforcing its focus on their health, safety and wellbeing.

The initiative reached 1,280 drivers across seven states through health check-ups, vision tests, doctor consultations and health counselling, highlighting the importance of preventive healthcare for safer driving.

Under its TCI Safe Safar programme, drivers also participated in road-safety awareness sessions covering responsible driving practices, including avoiding drink-driving, mobile phone use while driving and speeding. Drivers were also recognised with Appreciation Letters for their contribution.
